IDENTIFICATION OF WHALES, DOLPHINS & SEABIRDS

Learn how to identify what can be seen from land and at sea around the UK and European seas. Become a Citizen Scientist, we'll show you how to report your sightings for conservation or consider becoming a MARINElife volunteer ship-based surveyor in your spare time!

Join MARINElife and Yorkshire Wildlife Trust at their training day to learn how to observe and identify whales, dolphins, and seabirds together with data recording methods used for scientific research.
